

# Ab Initio Pilot Training

*"Our mission is to provide safe, advanced, innovative flight training and education."*

## 2009 Course

### Ab Initio Training:

As a JAA approved flight training organisation, our Ab Initio programme is designed to take aspiring trainee pilots from little or no flight experience to the issue of an a JAA Commercial Pilots Licence with Multi Engine and Instrument Rating Privileges including Multi Crew Co-operation and Airline Transport Pilots Licence (ATPL) theory. Training is designed to provide the key skills required by the Aviation Industry.

### Course Includes:

Initial supply of Pilot uniform

Standard pilot equipment (excluding headset)

JAA Private Pilots Licence (PPL)

JAA Full Time ATPL Theoretical Knowledge Course

JAA Night Qualification (NQ)

Structured Hours Building (SHB);

- General Handling
- Visual Navigation
- Radio Navigation
- Instrument Flying

JAA Commercial Pilots Licence/Multi Engine Piston (CPL/MEP)

JAA Multi Engine Instrument Rating (MEIR)

JAA Multi Crew Co operation (MCC)

### Training Aircraft and Simulators

Training commences using conventionally equipped Cessna aircraft before progressing to the new Diamond DA40 and DA42 aircraft equipped with Glass Cockpit, FADEC and diesel engine. High fidelity simulators compliment training.

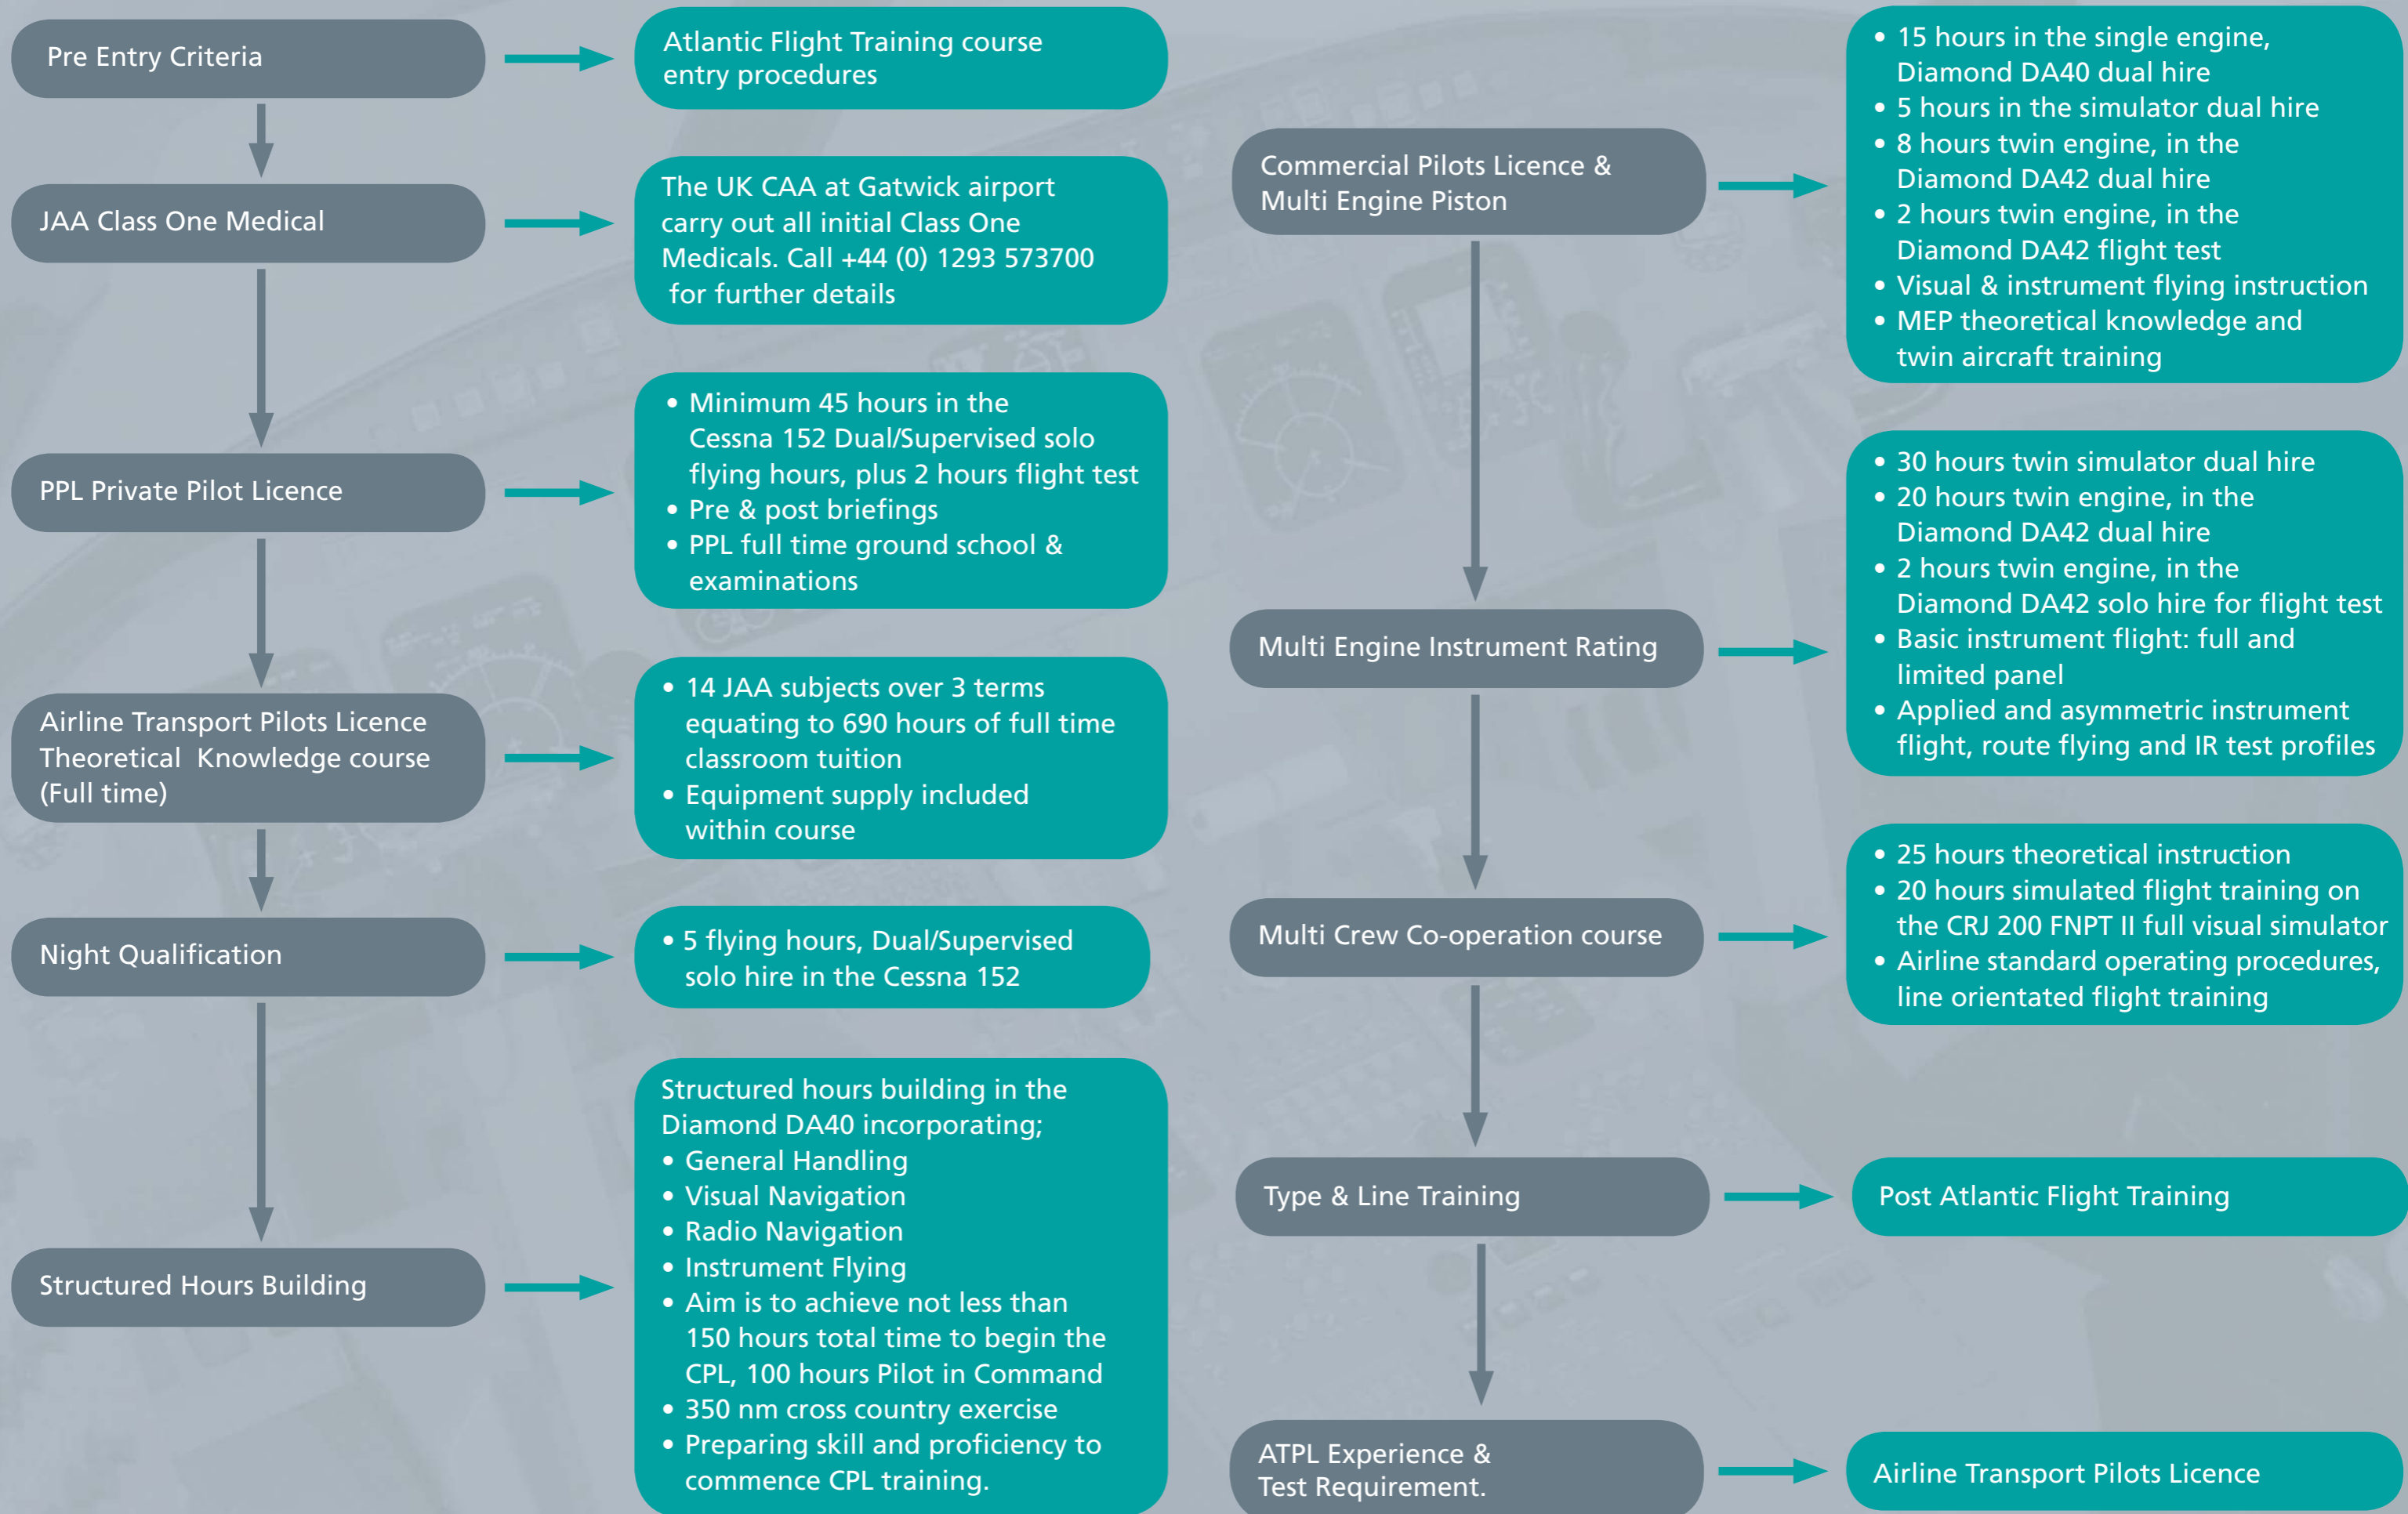

### Entrance Requirements

JAA Class One Medical

### Course Duration

74 weeks (minimum)

# Course Content – Phase One • Basic Pilot Training

## Other Information:

Atlantic Flight Training is an independent JAA approved Flight Training Organisation; our aim is to provide Professional pilot training from JAA PPL to a JAA Commercial Pilots Licence with Multi Engine and Instrument Rating Privileges including Multi Crew Co-operation and Airline Transport Pilots Licence (ATPL) theory

With over 20 years of training experience we are able to offer pilot training tailored to meet the needs of our customers. In addition to our ab initio training we provide full time ATPL ground school, distance learning, licence conversions, Jet Orientation, renewals and revalidations.

If you would like to discuss your training needs or to arrange a one-to-one consultation please contact Atlantic Flight Training on Tel. 0845 4500530

## Location:

Based centrally in the United Kingdom at Coventry Airport, Atlantic Flight Training occupies a comprehensively equipped purpose built training facility.

Using state of the art multimedia, aircraft, simulators and training techniques, under the supervision of a highly qualified professional team of ground, flight and simulator instructors, we aim to provide the best training programmes to prepare pilots for the new set of skills required by the Airline Industry.

## Registration Process:

If you would like to register for any of our courses please contact Atlantic Flight Training on: Tel. 0845 4500530 or email: [enquiries@flyaft.com](mailto:enquiries@flyaft.com)

Our Standard Registration procedure includes;

- A fully completed AFT registration form
- A signed copy of AFT standard Terms & Conditions
- A copy of your passport
- A copy of your JAA Class One or Class Two Medical
- A copy of any flying licences held
- 2 Passport size photographs
- 20% course deposit
